

Homework 1

*Student Name: Minbiao Han**Computing ID: mh2ye*

- Discussions are allowed, even encouraged, but you must write up solutions independently. Please try to keep the solution brief and clear.
- You will need to submit your solutions in PDF to UVA-Collab and additionally hand over a printed PDF to the TAs in class.
- The homework is due at 3:30 PM (before the class) on the due date.
